

AFTEC Cable Markers are ECM TYPE Flexible PVC Markers for Cables between 1.0 mm to 25mm diameter suitable for all types of Industrial and Electrical Applications.

AFTEC Cable Markers are made of Soft PVC in Concave Conversed shape and number coded with the following markings. 0-9, A-Z, + (plus), (-) Minus, Oblique, Earth, Blank.

Aftec Cable Markers have operational service temperature of -40°C to +85°C.

Aftec Cable markers are Resistant to Sea Water, Detergents, Fuels, Oils and Spirits and are Erosion Controlled.

AFTEC Cable Markers are suitable for any Size, Any Special Lengths and the inside are hollow and elastic.

## CABLE MARKER

Aftec cable markers are flexible pvc marker for cables between 0.5mm<sup>2</sup> to 10mm<sup>2</sup>. Chevron cut design ensures that markers stay locked to each other and doesn't allow to rotate and maintain entire identification in one line.

### Technical Data

<b>Application</b>	: For wire identification in electrical & electronic wires and are resistant to sea water, detergents, fuels, oil and spirits.
<b>Material</b>	: Soft P.V.C
<b>Temperature range</b>	: - 40°C to +85°C.
<b>Color</b>	: Yellow & White with Black marking.
<b>Marking</b>	: 0-9, A-Z, + (Plus), - (Minus), / (Oblique), $\perp$ (Earth), Blank.

### Z-TYPE CABLE MARKERS

MODEL NO	WIRE SIZE	IN DIAMETER	LENGTH	MARKERS	PACKING/BOX
	mm <sup>2</sup>	MM	MM		
ACM 0	0.5 to 0.75	1.8 to 2.2	6712	A to Z,0-9,+,-,/, $\perp$	1500 Nos
ACM 1	1.0 to 2.5	3.2 to 3.8	4445	A to Z,0-9,+,-,/, $\perp$	1000 Nos
ACM 2	2.5 to 6.0	4.5 to 5.2	2810	A to Z,0-9,+,-,/, $\perp$	500 Nos
ACM 3	6.0 to 10.0	5.5 to 6.8	1830	A to Z,0-9,+,-,/, $\perp$	350 Nos

### K-TYPE CABLE MARKERS

MODEL NO	WIRE SIZE	IN DIAMETER	LENGTH	MARKERS	PACKING/BOX
	mm <sup>2</sup>	MM	MM		
ACM K	4.0 to 10.0	4.0 to 7.0	2650	A to Z,0-9,+,-,/, $\perp$	500 Nos

## CARRIER STRIPS

Aftec Carrier strips are used with ties up to width of 4.8 mm

### Technical Data

<b>Application</b>	: To mark cable bundles for permanent identification with aftec k type cable marker
<b>Material</b>	: Nylon
<b>Temperature range</b>	: - 40°C to +85°C.
<b>Color</b>	: Black

MODEL NO.	WIDTH	LENGTH		MAX CAPACITY MARKERS PER STRIP	STANDERED QUANTITY PER BAG
	W	L			
	MM	INCH	MM		
AMS 65	9	2.6	65	7	100
AMS100	9	4.0	100	12	
AMS 135	9	5.4	135	18
